Read on for everything you need to know.

**Dates:** Queen's Birthday Weekend, Friday 1 June – Monday 4 June 2018

**Location:** Totara Springs Christian Centre, Matamata

### Registration and arrival

- **Registration:** By now you will already be registered for camp. You filled out a registration form and your youth leader registered you. All you need to do now is turn up at camp on the Friday night with the rest of your youth group. Your leader will complete the registration process at Totara Springs' Kaimai Lounge.
- **Arrival:** Your youth group will arrange transport to HM Rage in time for the gates to open at 8pm on the Friday night. Your youth leader will complete registration when you arrive and tell you where you are sleeping for the weekend.

### Theme and programme

- **Theme:** This year's theme is **The Art of War**. The theme will be woven throughout camp; sometimes in the keynote speaker's talks, the 'breakout' discussions, and definitely at the ever-popular party night (previously referred to as the banquet). Start thinking about your Art of War party costume and bring it to camp!
- **Programme:** There's heaps of epic sessions and activities planned during the weekend. Find the camp programme listed on the blog section of our website: [www.hmrage.co.nz/blog/](http://www.hmrage.co.nz/blog/).

### Sports Comp

HM Rage's organised sports comp on the Saturday is going to be off the hook! Gather your youth group mates and bring your best to the field this year.

- **This year's sports:** This year's sports are... soccer and ripper rugby!
- **To register:** No pre-camp sign-ups are required. We will provide the draw at camp.
